*Proceedings of the Madras Government, Public Works Department,
22nd January 1872.*

No. 383. Read the following Proceedings of the Government of India, Public Works Department, (Irrigation,) dated Fort William, 7th December 1871, No. 726-I. :—

Completion of system of Irrigation and Navigation in the Western Section, Godavery Delta.

Read the following despatch from the Secretary of State for India, to the Government of India, dated 18th October 1871, No. 74.

My despatch No. 50 of 27th July last expressed approval of the sanction accorded by your Government to an estimated expenditure of Rupees 10,80,800 for the purpose of perfecting the irrigation and navigation works of the eastern portion of the delta of the Godavery, and I now confirm the sanction which, as your Excellency's despatch No. 86 of 2nd August last informs me, has been given to an expenditure estimated at Rupees 13,04,640 for completing and perfecting the system of irrigation and navigation in the western section of the same delta.

2. The description given of the proposed works in the papers enclosed with your despatch show, as you say, "that there is every prospect of their being as financially successful as the rest of the great (Godavery) scheme has hitherto proved."

ORDER.—Ordered that a copy of this despatch be forwarded to the Government of Madras in the Public Works Department, Irrigation Branch, for information, in continuation of letter No. 367-I. of 2nd August last.
