No. 406. Read the following letter from the Executive Engineer on special duty, Madura District, to the Chief Engineer for Irrigation, dated Madura, 4th January 1872, No. 310:—

As the amount appropriated for the Perryaur scheme in G. O., No. 2,851, dated 10th November 1871, has not been placed to the credit of this Division, I have the honour to request you will be so kind as to arrange for this being done at your earliest convenience, as any stoppage at this stage would materially interfere with the investigations, and probably delay the submission of the estimates for the head-works of No. 4 site for another year.

2. The sum due for work done towards the close of November and during December 1871 is about Rupees 2,500, and funds are *urgently* wanted to pay the labourers now working in the hill tracts.
