*Proceedings of the Madras Government, Public Works Department,
24th January 1872.*

No. 438. Read the following letter from the Officiating Superintending Engineer, 6th Division, to the Secretary to Government, Public Works Department, dated Combaconum, 15th January 1872, No. 823:—

WITH reference to G. O., No. 40, dated 8th instant, I have the honour to inform you that there is not the slightest chance of the Telegraph Office at Negapatam being completed within the official year.

2. Immediately on receipt of your telegram of the 15th November 1871, I made arrangements for the collection of materials, and they were being brought to the site selected for the Office; but I have been informed by the Collector that he is making arrangements to secure a portion of the railway compound for the Telegraph Office, and I have therefore suspended the cartage of bricks, etc., until the ground is handed over to me.
