Proceedings of the Madras Government, Public Works Department, 24th January 1872.

No. 440. Read the following letter from the Controller of Public Works Accounts, to the Secretary to Government, Public Works Department, dated Fort St. George, 5th January 1872, No. 2,435:—

I HAVE the honour to report that, in accordance with the orders of Government in the Public Department, communicated to me with Proceedings in the Public Works Department of the 4th instant, No. 8, I have passed to Assistant Engineer S. Soobroya Charriar, B.C.E., the salary of his grade for the months of November and December 1871 at the rate of Rupees 350 per mensem.

Note.—Soobroya Charriar was relieved of his duties in the Public Works Department on the 21st November 1871.

2. I beg, however, respectfully to represent that the provisions of the order under acknowledgment seem opposed to the Resolution of the Government of India, published at page 1,736 of the *Fort St. George Gazette* of the 7th November 1871, under which it appears to me that, ordinarily, this department would not only be relieved of the charge of the pay and allowances of an officer during employment in connection with a Municipality, but would also be entitled to recover from him one-fifth of his pay as a contribution towards his "absentee" and "pensionary" allowances.

3. The case of Soobroya Charriar being exceptional, as stated in the order under reply, I venture to request that the Proceedings of this Government may be reported to the Government of India for confirmation.

No. 441. ORDER THEREON, 24th January 1872, No. 225.

ESTABLISHMENT, No. 41.
