

*Proceedings of the Madras Government, Public Works Department,
26th January 1872.*

No. 509. Read the following letter from the Deputy Secretary to the Government of India, Public Works Department, (Account-General,) to the Secretary to the Government of Madras, Public Works Department, dated Fort William, 11th January 1872, No. 49 A.-G.:-

I AM directed to acknowledge the receipt of your letter, No. 2,687, dated 23rd October last, stating that the Government of Madras had not been made aware of the reasons on which the Dowlaishweram Workshops had been transferred to Provincial Services, and suggesting a re-consideration of the order on the ground that the factory is primarily maintained in connection with the Godavery works, which are of an Imperial character.

2. In reply I am to say that it was entirely through oversight that the transfer was made without previous reference to the Government of Madras, and that under the circumstances above stated the order may be considered as cancelled.

3. This will cause a reduction of the amount to be treated as Provincial Public Works receipts, *vide* Public Works Department Resolution No. 805-14 A. G., of 3rd November last, by Rupees 8,223, being the estimated receipts of the Dowlaishweram Workshops for 1872-73, which was included therein.
