MADRAS RECORD OFFICE.

Government of Madras.

Public Works **DEPARTMENT.**

G.O. No. 273-74	Press Mis.
865-67	
Dated 29. 1	18 7.

Not to be folded or roughly handled

Read the following letters:—

No. 565. From the Superintending Engineer, 2nd Division, to the Chief Engineer for Irrigation, dated Bezwarah, 5th January 1872, No. 133.

I HAVE the honour to report that Rupees 4,579 have been expended from the grant made in G. O., No. 2,431, of 23rd September 1871, of Rupees 4,800 for survey purposes in the Kistna District, and I regret to say that the information obtained is still insufficient to enable me to complete the project satisfactorily as much has been found incorrect.

2. We are now beginning the most favourable season of the year for field-work, which is very behind hand in the Eastern Delta. Captain Smalley, after the experience gained during the past season, estimates his requirements at Rupees 600 per month for six months in the field, and Rupees 180 for six further months in office.

3. In the Western Delta field-work is nearly completed; we shall, therefore, only need estimate-makers for six months, at Rupees 180 per month. Deducting Rupees 221 in hand Rupees 2,119 will be needed for the current year, and Rupees 3,420 in 1872-73 to finish the surveys, plans, etc.

4. I trust that the Government will have no difficulty in placing the former amount at my disposal immediately from Extraordinary funds. Our working season is short, owing to the delta being under the influence of both south-west and north-east monsoons; the high winds of May being also very obstructive to work after 8 or 9 A. M.

5. If the Government would be pleased to authorize this highly important work in anticipation of sanction from the Government of India, I would ask that it might be communicated by telegraph to Guntur that I may make early arrangements in accordance.

No. 565A. From the Controller of Public Works Accounts, to the Secretary to Government, Public Works Department, dated Fort St. George, 10th January 1872, No. 2,487.

ADVERTING to Captain Scott's memorandum No. 7, dated 9th instant, I have the honour to subjoin a memorandum of the expenditure recorded against the under-mentioned items in the Public Works Accounts of the current official year up to the 30th November 1871:—

Surveys connected with the Rooshkoolia, etc.	...	Awaiting reply from Superintending Engineer.
Do. do. the Godavery Delta works.	...	
Do. do. the Munnalunka tank	...	
		RS.
Do. do. the Kistna Delta works	...	4,585
Do. do. the Perryaur project	...	20,781
Do. do. the Tambrapoorney project	...	

2. As soon as the Superintending Engineer's reply to the reference* made to him in respect to the charges, up to 30th September last, appertaining to the

* Dated 4th December 1871.

first three items is received in this office, the required information regarding them will be afforded.

*Proceedings of the Madras Government, Public Works Department,
29th January 1872.*

No. 566. ORDER THEREON, 29th January 1872, No. 273.

ACCOUNT, No. 49.

Account-General, No. 529-A. G., 18th August 1871.

IN their letter marginally noted the Government of India conveyed their sanction to the debit against the Loan grant for Extraordinary Agricultural works, of the under-mentioned sums

amongst others amounting in the aggregate to Rupees 63,000, namely,—

	RS.
Surveys for Kistna Delta works	4,800
Surveys for the improvement of irrigation from the	
Tambrapoorney	4,803

2. The Superintending Engineer of the 2nd Division reports in his letter quoted at the head of these Proceedings that Rupees 4,579 of the above grant for the Kistna works have been spent, and that an additional allotment of Rupees 2,119 is urgently required for expenditure during the current year in order to continue the survey operations, the information already obtained being insufficient to enable him to complete the project satisfactorily.

3. It would appear from the report of the Controller of Public Works Accounts that, up to the 30th November last, no portion of the grant for the Tambrapoorney survey had been expended, and there is therefore no probability of more than a small proportion being required before the end of the financial year.

4. Under these circumstances His Excellency in Council resolves, in anticipation of the sanction of the Government of India, to transfer for expenditure on the Kistna Delta surveys a sum of Rupees 2,119 from the grant for the Tambrapoorney surveys.

(True Extract.)

Colonel, R.E.,
Secretary to Government.

To the Superintending Engineer, 2nd and 8th Divisions.
" Controller of Public Works Accounts.
" Chief Engineer for Irrigation.

FORT ST. GEORGE, 29th January 1872.

No. 567.

No. 274.

To

THE SECRETARY TO THE GOVERNMENT OF INDIA,

PUBLIC WORKS DEPARTMENT.

ACCOUNT, No. 50.

SIR,—With reference to your letter of the 18th August 1871, No. 529-A. G., conveying the sanction of the Govern-

ment of India to the debit against the Loan grant for Extraordinary Agricultural works of certain charges for survey, etc., establishments, I am directed to inform you that a further sum of Rupees 2,119 is required for the survey of the Kistna Delta in addition to the grant of Rupees 4,800 already made under that head, and I am to request that the sanction of the Government of India may be given to the transfer of this sum from the allotment made under similar circumstances to cover the cost of surveys for the improvement of irrigation from the Tambrapoorney, as there is no probability of the whole grant for this purpose being expended as proposed during the current year.

2. I am to add that, in order to prevent the suspension of operations in the Kistna Delta, the proposed transfer has been made in anticipation of the approval of the Supreme Government.

I have the honour to be,

Sir,

Your most obedient servant,

Colonel, R.E.,
Secretary to Government.

Exd. E. C. Shunker.

The Secy: to the Govt
of India P. W. &
Sir,

With reference to
your letter of the 18th
Aug 71, No. 529, P. W.,
conveying the sanction
of the Govt of India
to the debit against the
Loan grant for Extra-
ordinary Agricultural
Works of certain charges
for survey &c. establish-
ments I am directed
to inform you that
a further sum of Rs 2,119
is required for the Survey
of the Kistna Delta in
addition to the grant
of Rs 4,800 already made
under that head and
I

I am to request that the
sanction of the Govt of
India may be given
to the transfer of this sum
from the allotment made
under similar circum-
stances to cover the
cost of surveys for the
improvement of irri-
gation from the Lan-
d Revenue as there
is no probability of
the whole grant for
this purpose being
expended as proposed
during the current year.
I am to add that
in order to prevent
the suspension of
operations in the Kist-
na Delta the proposed
transfer has been made
in

in anticipation of the
approval of the Supreme
Government.
