*Proceedings of the Madras Government, Public Works Department,  
3rd February 1872.*

Read the following papers :—

No. 52. Proceedings of the Board of Revenue, dated 8th January 1872,  
Mis. No. 227.

From the Acting Collector of the Kistna District, to the Acting Secretary to the  
Board of Revenue, dated Masulipatam, 8th December 1871, No. 3,468.

I HAVE the honour to inform you that, agreeably to Government Order,  
No. 674, dated 14th April 1871, communicated with Board's Miscellaneous No. 1,291  
of 18th idem, the rice-hulling machine at Nedamole was taken to the Bezwada  
Workshops. The Superintending Engineer in his letter No. 163, dated 21st  
November 1871, (copy enclosed) informs me that the cost of carriage amounted  
to Rupees 88-0-11, and that the charge remains as outstanding advance in the  
Department Public Works accounts, and requests, therefore, that funds may be  
sanctioned for its adjustment.

2. As the machine was to be utilized by the Department Public Works  
under the Government Order quoted, the expense of carriage should, I think, be  
met by that department. I solicit orders on the subject.

From the Superintending Engineer, 2nd Division, to the Acting Collector of Kistna, dated Camp  
at Nundivalugu, 21st November 1871, No. 168.

I HAVE the honour to observe that Rupees 88-0-11 were expended for removing the rice-  
hulling machine from Nedamole to Bezwada Workshop, agreeably to Government Order, No. 674,  
of 14th April 1871, Revenue Department, and that the charge remains as outstanding advance in  
the Department Public Works accounts. I request that you will procure the sanction of the  
Board of Revenue, or the Government, for funds for the adjustment of the charge.

SUBMITTED to Government, Public Works Department, with the Board's  
request that necessary orders may be issued for the adjustment of Rupees 88-0-11  
referred to by the Collector and the Superintending Engineer of the 2nd Division.

No. 53. From the Superintending Engineer, 2nd Division, to the Secretary to  
Government, Public Works Department, dated Bezwarah, 5th January  
1872, No. 134.

I HAVE the honour to report that the charges for moving the rice-hulling  
machine from Nedamole to Bezwarah amount to Rupees 72-10-1; this removal was  
ordered in Public Works Order No. 86, 19th April 1871, but no funds have been  
allotted, and I am at a loss to know to what head the outlay should be charged;  
up to this time the experiment has been entirely in the hands of the Revenue  
Department.

REFERRED to the Controller of Public Works Accounts for report, as to the  
proper source the charge should be debited to.

(Signed) J. CARPENDALE, Colonel, R.E.,

Secretary to Government.
