

*Proceedings of the Madras Government, Public Works Department,
5th February 1872.*

No. 81. Read the following letter from the Superintending Engineer, 3rd Division, to the Secretary to Government, Public Works Department, dated Kurnool, 22nd January 1872, No. 1,939 :—

I HAVE the honour to request the sanction of Government to the undermentioned transfer of funds to meet in part the estimate, amounting to Rupees 850, for repairing the Post Office at Cuddapah which was approved of by the Postmaster General.

2. The repairs to the building in question are urgently needed as, owing to the bad state of the roof, the Post Office has been temporarily removed to a rented building.

3. The current year's budget provision for repairs to Postal and Telegraph buildings being only Rupees 180 for each of the districts of this division, the amount available for the above estimate, including the transfer now applied for, is only Rupees 540. The balance of the estimate, namely, Rupees 310, will therefore have to be sanctioned during 1872-73.
