Proceedings of the Madras Government, Public Works Department, 6th February 1872.

No. 103. Read the following endorsement of the Deputy Consulting Engineer for Railways, dated Madras, 19th January 1872, No. 28:—

From the Agent and Manager of the Madras Railway Company, to the Acting Consulting Engineer for Railways, dated Madras, 18th January 1872, No. 34.

WITH reference to the case of Mahomed Salar Saib, mentioned in G. O., No. 13, of the 5th instant, I have the honour to enclose you a copy of the letter* from the Chief Engineer which was read to the Stores Committee when the case was under consideration, and wherein it is stated that there is no suitable appointment elsewhere to which he could be nominated.

* No. 647, dated 2nd December 1871.

2. In addition to this Mahomed Salar is now quite superannuated and unfit for any active employment.

From the Chief Engineer, to the Agent and Manager of the Madras Railway Company, dated Madras, 2nd December 1871, No. 647.

I BEG to call your attention to the case of Mahomed Salar Sahib, late Head Writer and Cash-keeper, District 20, North-West line, whose services have just been dispensed with as the works at Raichore are so nearly finished that a cash-chest and office establishment are no longer required there by this department, and there was no suitable appointment elsewhere to which I could nominate him.

2. Mahomed Salar entered the Company's service in January 1854; became Head Writer on District 5, South-West line, in October 1860; transferred to the Chief Engineer's Office in March 1862; was appointed Head writer, District 17, North-West line, in March 1867, and was transferred to District 20, North-West line, in October 1868.

3. He has, during a service of 18 years, proved himself a most trustworthy and careful man, and has been a valuable servant to the Company. I therefore hope you will grant him the same substantial mark of approval as was lately bestowed upon another old servant of the Company, namely, six months' pay.

SUBMITTED to Government, with reference to G. O., No. 13, dated 5th January 1870.

2. I beg that, under the circumstances explained by the Agent, authority may be granted for the payment to Mahomed Salar Saib of a gratuity of six months' pay on the termination of his connection with the company.

(Signed) C. J. SMITH, Captain, R.E.,
Deputy Consulting Engineer for Railways.

The Agent and Manager

Dear Sir

I beg to call your attention to the case of Mahomed Salar Sahib late head writer and cashkeeper District 20 North West Line whose services have just been dispensed with as the works at Raichore are so nearly finished that a Cash chest and office Establishment are no longer required there by this Department and there was no suitable appointment elsewhere to which I could nominate him.

2 Mahomed Salar entered the Company's service in January 1854 became Head writer on District 6 South West Line in October 1860, transferred to the Chief Engineers office in March 1862 was appointed Head writer District 17 North West Line in March 1867 and was transferred to District 20 North West Line in October 1868.

3 He has during a service of 18 years proved himself a most trustworthy and careful man and has been a valuable servant to the Company. I therefore hope you will grant him the same substantial mark of approval as was lately bestowed upon another old servant of the Company viz: 6 months pay.

Yours faithfully
