*Proceedings of the Madras Government, Public Works Department,
9th February 1872.*

No. 182. Read the following letter from the Superintending Engineer, 2nd Division, to the Secretary to Government, Public Works Department, dated Camp at Timmareddipalli, 25th January 1872, No. 144:—

I HAVE the honour to request that my surrender of Rupees 20,000 for Ryves' canal may be reduced to Rupees 10,000, *Vide* Statement forwarded on 24th November 1871. leaving Rupees 40,000 for expenditure.

2. At the time I answered G. O., No. 2,680, 21st November, the Range Officer thought that he could not get through more than Rupees 30,000, but a considerable increase (unexpected) of labour makes him sanguine of making a larger outlay. In anticipation of sanction I have sanctioned the continuance of work to keep the people together, as if they disperse it will be difficult to re-collect them.

No. 183. ORDER THEREON, 9th February 1872, No. 398.

ACCOUNT, No. 33.

THE allotment for Ryves' canal will be allowed to stand at Rupees 40,000.
