*Proceedings of the Madras Government, Public Works Department,
10th February 1872.*

No. 187. Read the following letter from the Acting Superintending Engineer, 1st Division, to the Secretary to Government, Public Works Department, dated Dowlaishweram, 18th January 1872, No. 3,180 :—

WITH reference to G. O., No. 83, dated 13th December 1871, in which Serjeant Cormac's promotion to Supervisor of the 2nd grade was sanctioned, I have the honour to inform you that as by this subordinate's promotion the post of Taluq Overseer has become vacant, I beg to propose that it be conferred on D. Kristniah, Local Fund Overseer, who is now conducting the duties of a Taluq Overseer in the No. 4 Range, Godavery District, very much to my satisfaction, and on whose account Government in G. O., No. 2,440, dated 23rd September 1871, had been pleased to pass double horse allowance on account of the extra duties entrusted to him; moreover, that the Government will be pleased to exempt him from passing the Overseer's test with a view to his being brought on the Imperial Establishment.

2. I take this opportunity of requesting the sanction of Government to my appointing D. Vencataruthnum, Deputy Estimate-maker in my office, to the post of Local Fund Overseer, which will become vacant, should Government take a favourable view of my recommendation on behalf of D. Kristniah in the preceding paragraph. Upwards of three lakhs of rupees for works in the Yernagoodem Taluq have been sanctioned by Government, and I have the Unnamoorlunkah project ready for the same taluq, and other road estimates have also been submitted. I am therefore very anxious to secure a good staff there, as that taluq suffers more from failure of the rains than any other part of this country.

No. 188. ORDER THEREON, 10th February 1872, No. 401.

ESTABLISHMENT, No. 11.

THE appointment of D. Kristniah, Local Fund Overseer, in room of Serjeant Cormac promoted, is sanctioned on probation for one year; at the expiration of which time the Superintending Engineer will apply to the Principal of the Civil Engineering College for the necessary examination papers to test Kristniah's knowledge and acquirements.

2. The sanction of Government to the appointment of Local Fund Overseers is not necessary.

3. The Principal of the Civil Engineering College will be requested to state whether there are any passed candidates unemployed.
