*Proceedings of the Madras Government, Public Works Department,
10th February 1872.*

No. 189. Read the following letter from the Acting Superintending Engineer, 1st Division, to the Secretary to Government, Public Works Department, dated Dowlaishweram, 15th January 1872, No. 3,141:—

I HAVE the honour to forward, for the most favourable consideration of Government, the accompanying letter in original received from Deputy Assistant Commissary and Sub-Engineer J. Lever on behalf of G. Paupiah, his Acting Accountant, together with a statement of this man's services, from which it will

- 1 Original letter, No. 127, dated 20th December 1871, from Sub-Engineer in charge No. 3 Range, Ganjam.
- 1 Statement of Services.
- 1 True copy of Memorandum from Agent to Government, Vizagapatam.

be observed he was, in November 1866, a Taluq Overseer in this Division, but was thrown out of his appointment for making advances without obtaining authority.

2. In my letter to Government, embodied in their Order of the 4th August 1869, No. 2,561, it will be seen I recommended that G. Paupiah might be sent under Mr. Turner, Assistant Agent, for employment in the Jeypore country, and that in the G. O. alluded to sanction was accorded to my recommendation. His services, however, were not availed of in consequence of the works in the Jeypore country having been deferred.*

- * Vide enclosed true copy of an official memorandum from Agent to the Government.

3. As there is now an opportunity of Mr. Lever securing the right sort of man as an Accountant for his Range Office, I trust Government will sanction G. Paupiah being confirmed in his present post.

From the Sub-Engineer in charge No. 3 Range, to the Acting Superintending Engineer, 1st Division, dated Russelcondah, 20th December 1871, No. 127.

As requested in your memorandum, No. 2,836, dated 11th instant, I beg to forward herewith the statement of Acting Head Accountant G. Paupiah's previous services. I beg to inform you that he is well acquainted with accounts and knows surveying, levelling, plan-drawing, and estimate-making, and as no Draughtsman is allowed to this range, it is very necessary that a man who knows plan-drawing, estimate-making, etc., should be appointed to the Head Accountant's post of this office. Although he did not pass the general test he has a good knowledge of English, and can perform the duties connected with the post. I therefore beg you will kindly confirm him in his present acting appointment as a special case. If you think it necessary for him to pass the examination, he is willing to go on probation for one year. I strongly recommend his being confirmed in the post on account of his deceased brother's large family.

No. 190. ORDER THEREON, 10th February 1872, No. 402.

ESTABLISHMENT, No. 12.

THE Government do not see that there are stronger grounds for exempting Acting Head Accountant G. Paupiah from the Uncovenanted Service Examination than have been urged in behalf of some others to whom the indulgence has been refused.
(True Extract.)

Colonel, R.E.,

Secretary to Government.

To the Acting Superintending Engineer, 1st Division, with one Enclosure.
" Controller of Public Works Accounts.
