*Proceedings of the Madras Government, Public Works Department,
17th February 1872.*

No. 286. Read the following letter from the Superintending Engineer, 4th Division, to the Secretary to Government, Public Works Department, dated Madras, 23rd January 1872, No. 4,236:—

I HAVE the honour to submit, for the sanction of Government, two estimates, amounting in the aggregate to Rupees 2,110, for works as per margin.

1. Making certain alterations and improvements in the Office of the Controller of Public Works Accounts, Fort St. George	rs.	
2. Making slight additions in the late Medical Store-room, and certain alterations in the room lately occupied by the Paper Stamping Department for the accommodation of the Paper Currency Department in the Accountant-General's Office, Fort St. George ...		1,430
		680
Total...		2,110

2. As there were no funds at my disposal which I could name to Government for appropriation, I informed the Controller of Public Works Accounts of the fact, and that the work to his Office must lie over for the present. That Officer, however, brings to my notice that he has conferred with you on the subject, and explained at length the inconvenience to which his establishment is put in the absence of the alterations and improvements recommended by him, and requests me now to submit the estimate for sanction of Government with a proposal for the following transfer of funds to admit of the immediate execution of the work:—

		Making slight additions in the late Medical Store-room and certain alterations in the room occupied by the Stamping Department for the accommodation of the Paper Currency Department in the Accountant-General's Office, Fort St. George	680
		Total...	2,110
Salem.—Taluk Cutcherry at Namkul. Estimate Rupees 25,800, sanctioned in G. O., No. 3,566, dated 16th November 1868. Current year's grant Rupees 6,000 authorized in Proceedings, No. 1,803, dated 7th July 1871 ...	rs.		2,110

3. Mr. Brock further states, with reference to the Taluk Cutcherry at Namkul, that against the current year's grant of Rupees 6,000, the actual outlay recorded in the Public Works books from 1st April to 30th November last is only Rupees 613-6-2. In the last official year, 1870-71, the allotment for this work was Rupees 1,600, of which amount nearly one-half, Rupees 708-10-0, was left unutilized on the 31st March last, and was consequently lost to the department.

4. Under these circumstances, I have thought it proper to submit with the estimate for alterations to the Controller's Office that for improvements to the rooms set apart for the Paper Currency Department in the Accountant-General's Office, which are also represented to be very urgently required, and to request that the full amount (Rupees 2,110) may be placed at my disposal.
