*Proceedings of the Madras Government, Public Works Department,
17th February 1872.*

No. 293. Read the following letter from the Officiating Superintending Engineer, 6th Division, to the Secretary to Government, Public Works Department, dated Tranquebar, 23rd January 1872, No. 841:—

THE Controller having declined to pass pay to Mr. Sub-Engineer Hall for the month of December 1871, with the exception of half pay from the 1st to 6th, during which time he was under suspension, I have the honour to request that orders may be passed as to pay to which Mr. Hall is entitled. The grounds on which the Controller declines to pass any pay from the 7th December are that G. Os., No. 2,867, dated 28th November 1871, and No. 3,094, dated 7th December 1871, do not authorize Mr. Hall's joining at the public expense. I understand the orders referred to, to mean that Mr. Hall is entitled to full pay from the 7th December, the date of his restoration, though not to travelling allowance (until he joined his new appointment); but as the Controller does not take the same view of the case I have to request orders on the subject.

No. 294. ORDER THEREON, 17th February 1872, No. 456.

ESTABLISHMENT, No. 22.

THE Government authorize full pay being passed to Mr. Sub-Engineer Hall from the 7th December 1871, the date on which he was relieved from suspension, but looking to the circumstances under which Mr. Hall's restoration was ordered his claim to travelling allowance for joining the Tanjore District cannot be admitted.
