Proceedings of the Madras Government, Public Works Department, 19th February 1872.

No. 317. Read the following letter from the Superintending Engineer, 3rd Division, to the Secretary to Government, Public Works Department, dated Camp at Toogaly, Patticonda Taluq, Kurnool, 29th January 1872, No. 1,984 :—

In continuation of my letter, No. 1,880 of 8th instant, I have the honour to forward the accompanying three enclosures received from Mr. Cowley. As at present the Pullampett Range Office is with the Cuddapah Range Officer at Cuddapah, in addition to his own office, there is no positive objection to Mr. Cowley's remaining in the bungalow at Wontimetta, but I consider that it should be allowed only on the understanding that he pays rent.

2. On occasions when bungalows of the size of the one at Wontimetta have been rented out, the amount charged has been Rupees 15 per mensem. If Mr. Cowley occupies the whole he should, I think, be charged this amount, but if he only occupies one-half, and has the full use of the out-houses, the monthly rent should be, I think, about Rupees 9 or 10.

No. 318. Order thereon, 19th February 1872, No. 468.

ESTABLISHMENT, No. 24.

The Government have no objection to Mr. Cowley occupying the bungalow at Wontimetta on the conditions specified by the Superintending Engineer.

Sir

In reply to your No. 533 without date I regret to state that I am not in a position to vacate entirely the Wontimetta Bungalow for three reasons.

1st. That is no other place in the village (except a small dilapidated Bungalow) to accomodate my family.

2nd. Not having received any pay or allowances for the past four months I am (in a pecuniary point of view) debarred from removing in consequence.

3rd. I feel myself bound to remain on the spot till receipt of orders to the contrary from Government.

The portion of the Bungalow set apart for the Ranger Office is unoccupied.

Your docket together with my reply thereto will be forwarded (thro' Superintending Engineer) to Government for their decision.
