Dated 21 2 1872.	

Not to be folded or roughly handled

*Proceedings of the Madras Government, Public Works Department,
21st February 1872.*

No. 341. Read the following endorsement of the Acting Consulting Engineer for Railways, dated Madras, 26th January 1872, No. 37 :—

From the Agent and Manager of the Madras Railway Company, to the Acting Consulting Engineer for Railways, dated Madras, 18th December 1871, No. 768.

With reference to your letter No. 494, dated the 12th of August last, I have the honour to forward herewith the Budget Estimate for the official year 1872-73, prepared in the revised form ordered by G. O., No. 2,043, dated the 8th of August 1871.

2. I have the honour to point out that the Regular Estimate for the current official year shows that the probable expenditure will exceed the amount sanctioned (*vide* G. O., No. 906, of the 27th March 1871,) by the sum of Rupees 3,07,469 as under :—

	Sanctioned.	Probable expenditure.	Excess.
	RS.	RS.	RS.
Stores	4,12,000	6,56,500	2,44,500
Establishment	3,22,000	3,37,552	15,552
Works	16,20,439	16,67,856	47,417
Total ..	23,54,439	26,61,908	3,07,469

3. Will you be good enough to obtain and communicate to me the authority of Government for an additional allotment of Rupees 3,07,469 to the current year's Budget to cover the above excess.

THE Agent of the Madras Railway applies for an allotment of Rupees 3,07,469 in addition to the grant of funds in the current year's Budget. The demand for stores appears to me to be rather high, and no specific requirement is shown for works; but a sum of Rupees 47,417 is asked for in addition to the general grant of Rupees 16,20,439. Considering that the Huggry bridge work has not been re-commenced, and, in fact, that the iron-work from England will not arrive in this year, also that the Cheyaur bridge has not yet been taken in hand at all, I am of opinion that this item of demand is not actually necessary. I would, therefore, recommend for sanction an extra grant of Rupees 2,60,000, under :—

	RS.
Stores... ..	2,44,500
Establishment	15,500

Funds may be provided by transfer from the grant in the Budget, Great Southern of India Railway, Southern Extension, Rupees 10,00,000.

(Signed) H. L. PRENDERGAST, Major, R.E.,
Acting Consulting Engineer for Railways.
