Colonel, R.E.,
Secretary to Government.

No. 1.

I hereby certify that I have known M. H. S.
Cuffley for the past year, that I consider
him to be a respectable young man belonging
to a respectable family and that whenever
I have seen him I have always found him
quite temperate in his habits.

I have no hesitation in affirming that he
continues the same up to the present time.

In June 1870 Mr.
H. S. Cuffley late an au-
ditor on the establishment
of the Controller of Public
Works Accounts appealed
to Government against his
dismissal, and his repre-
sentation having been
referred to the Controller
for report, the Govt on a
consideration of that
officer's letter dated 28th
June 1870, No. 576, declined
to interfere. On the 18th
December 1871 Mr. Cuffley
requested to be exempted
from passing the General
Book keeping, and Precis
Tests

Testo. As his service under
Govt. extended over a
period of 14 years, and as
the cause of his dismissal
was irregular attendance
due to intemperate habits
I informed him that
I could not ask the Govt.
to grant him the indulgence
unless he could furnish
a certificate from two
respectable parties, his
habits being now quite
temperate. These certificates
he now furnishes and the
Govt. may perhaps be
disposed to afford Mr.
Cuffley an opportunity
of re-entering the service
and redeeming his character
by complying with his application
