As it is undesirable that the stables at the Remount Depôt at Oosoor should be allowed to continue in their present incomplete state, His Excellency the Governor in Council resolves, in anticipation of the sanction of the Government of India, to place at the disposal of the Superintending Engineer of the 5th Division for expenditure on those buildings during the current official year, a sum of Rupees 2,000 from the unappropriated balance of the allotment for the Ulsoor Water Project.
