*Proceedings of the Madras Government, Public Works Department,
28th February 1872.*

No. 448. Read the following endorsement of the Acting Chief Engineer for Irrigation, dated Fort St. George, 12th February 1872, No. 110 :—

From C. A. BADHAM, Esq., Acting Agent and Manager of the Madras Irrigation and Canal Company, to the Acting Chief Engineer for Irrigation, dated Madras, 9th February 1872, No. 52.

In reply to your letter No. 228, of the 8th instant, I have the honour to inform you that Mr. Henslowe has left Madras on the two months' leave of absence to which he is entitled, and that his leave dates from the 4th January, but that he will probably return about the end of the current month.

2. With reference to your paragraph 2, I have to state, for your information, that it has not been customary for Mr. Henslowe to notify to the Government his intended absence, as you will find by a reference to the records of your Office.

3. By virtue of the Power of Attorney which Mr. Henslowe holds, and a copy of which is in your Office, he is empowered to depute his duties to me, and the same deed authorizes me to perform in his absence the functions of Agent and Manager.

4. The provisions of this Power of Attorney have been recognized by the Government.

5. I will place your letter before Mr. Henslowe on his return.

SUBMITTED for the information of Government.

2. I find from the records of this office that Mr. Henslowe has on former occasions notified his intention of quitting Madras to visit the Company's works on duty, and it is so obvious that Government should be informed of his being about to proceed on leave and make use of the Power of Attorney by deputing his office to the Company's Accountant that it is unnecessary to discuss the point.

(Signed) A. deC. SCOTT, Captain, R.E.,
For Acting Chief Engineer for Irrigation.

No. 449.

ORDER THEREON, 28th February 1872, No. 538.

IRRIGATION, No. 37.

MR. Badham is clearly mistaken in supposing that it has not been customary for the Agent to notify his intention

of availing himself of leave. The Government observe that in his letter of the 14th January 1870, No. 12, Mr. Henslowe reported to the Consulting Engineer that he proposed to take the two months' leave to which he was then entitled.

2. The Examiner will be requested to report whether Mr. Henslowe was eligible to the two months' leave which he availed himself of on the 4th January.
