*Proceedings of the Madras Government, Public Works Department,
29th February 1872.*

No. 476. Read the following letter from the Acting Superintending Engineer, 1st Division, to the Secretary to Government, Public Works Department, dated Dowlaishweram, 13th February 1872, No. 3,498:—

ADVERTING to paragraph 1 of the letter from the Postmaster General, embodied in G. O., No. 327, dated 2nd instant, I have the honour to inform you that in the design for the Telegraph Office at Cocanada accommodation for the Post Office at that station was not provided.

2. The Postmaster General was, in November last, requested to furnish me with a design for the proposed Post Office at Cocanada; but as I have not received one yet, and as I do not exactly know what accommodation will be necessary for the conduct of duties connected with the Postal Department, I am unable to prepare the plans and estimates called for in G. O., No. 3,009, dated 28th November 1871.

3. No provision can be made in the new Telegraph Office for the Postal Department, but a new building can be constructed on the site lately purchased by the Government for the Telegraph Department.

No. 477. ORDER THEREON, 29th February 1872, No. 548.
