*Proceedings of the Madras Government, Public Works Department,  
1st March 1872.*

No. 19. Read the following letter from the Acting Consulting Engineer for Railways, to the Secretary to Government, Public Works Department, dated Madras, 7th February 1872, No. 64 :—

With reference to paragraph 2 of my endorsement, No. 440, dated 1st October 1871, I have the honour to request the sanction of Government to the disbursement of Rupees 1,000 to the Collector of Madura for some preliminary expenditure on account of lands required for the southern extension.

2. The need of this demand is explained in the Collector's letter, No. 207 of 2nd February 1872, enclosed; and funds are available from the current year's budget grant, Rupees 25,000, for the Madura District.

From the Acting Collector of Madura, to the Consulting Engineer for Railways, dated Madura, 2nd February 1872, No. 207.

As the purchase of part of the land required for railway purposes is already concluded, I have the honour to request you to inform me whether any money can be placed at my disposal at once.

2. A small sum, say, Rupees 1,000, is urgently required, as some sheds and other buildings in the station ground, etc., can scarcely be removed with justice unless money be first given to rebuild them elsewhere.

No. 20. ORDER THEREON, 1st March 1872, No. 566.
