*Proceedings of the Madras Government, Public Works Department,
2nd April 1873.*

No 66. Read the following letter from the Acting Inspector General of Police, to the Secretary to Government, Public Works Department, dated Madras, 6th March 1873, No 786 —

I HAVE the honour to submit, for the sanction of Government, plans and

			estimates, amounting in the aggregate to
Three Police Huts at Wendsay	Rs 300		Rupees 1,900, for the construction of
Three do at Mudbidree	450		the buildings marginally noted in the
One Station-house at Neleshwar	600		South Canara District.
One do at Shiriyar	550		
Total	1,900		

2 From a reference to the list of works proposed for 1873-74, printed with G O, No 2,340, dated 7th October 1872, Public Works Department, the Government will observe that the amounts of the estimates now submitted exceed the rough sums therein provided (the one for Shiriyar excepted), which is reported to be owing to a very great rise in the price of building materials in the localities referred to, and in consequence of the extensive building operations which are being carried out by the Local Fund Board. It has, therefore, been found necessary to postpone the construction of two of the Mudbidree huts so as to bring the aggregate estimate within the sanctioned allotment.

3 The works will be carried out by departmental arrangement from the Budget allotment of the district for 1873-74.
