No. 116. Read the following letter from the Consulting Engineer for Railways, to the Secretary to Government, Public Works Department, dated Madras, 29th March 1873, No. 192:—

REFERRING to paragraph 11 of Public Works Department Resolution No. 830-5 A. R., of the 26th June 1872,
G. O. No. 1,754, 24th July 1872. I have the honour to report, for the

information of the Government of India, that in accordance with an application from the Agent of the Carnatic Railway, I have authorized the following transfer of funds in the Budget Estimate for 1872-73:—

SCHEDULE G.

From Locomotive Expenses...	... Rupees 500
To Carriage and Wagon do...	... „ 500

No. 101, dated 27th March 1873.

2. The Agent's application for the necessary transfer is herewith enclosed.

From the Agent and Manager of the Carnatic Railway Company, to the Consulting Engineer for Railways, dated Madras, 27th March 1873, No. 101.

I HAVE the honour to report that the expenditure on Revenue Account in the Carriage and Wagon Department will, by the end of the current month, have exceeded the amount sanctioned in the Budget for the official year 1872-73 by a sum of about Rupees 500.

2. This has been occasioned by more extensive repairs to the wagon stock having been necessary, adequately to accommodate the increased goods traffic than was contemplated; there is, however, a considerable margin in the locomotive expenses, and I request you will be good enough to convey the sanction of the Government to a transfer of the sum of Rupees 500 from the head "Locomotive Expenses" to that of "Carriage and Wagon Expenses."
