Not to be folded or roughly handled

*Proceedings of the Madras Government, Public Works Department,
4th April 1873.*

No 123 Read the following letter from the Consulting Engineer for Railways,
to the Secretary to Government, Public Works Department, dated
Madras, 12th March 1873, No. 149 —

I HAVE the honour to submit an estimate of the cost of constructing two fuel
stagings at the Mullapooram Station

Indian	RS	of the Madras Railway, amounting to
English ..	1,221	Rupees 1,221.
	Nil	

2 The present stagings, which are of a temporary character, were put up by
the fuel contractors at their own expense to facilitate the loading of wood, fuel, and
are now very much in want of repair

As Mullapooram will always be an important wooding station, the Loco-
motive Superintendent considers that it would be better to erect permanent stages
at the expense of the Company

3 The necessity for the work was fully discussed at the Stores Committee
Meeting held at the Railway Office, Royapooram, on the 10th February 1873.

4. It is proposed to meet a portion of the expenditure, namely, Rupees 500,
from the item "Unforeseen requirements" in Schedule B of the Budget Estimate
for 1872-73

5 I beg to recommend that application be made to the Government of India
for early sanction to the estimated expenditure of Rupees 1,221.

No 124. ORDER THERON, 4th April 1873, No 1,046

RAILWAY, No 15.

ORDERED that this estimate be for-
warded for the sanction of the Govern-
ment of India.

(True Extract.)

(Signed) G. W. WALKER, Colonel, R E,
Secretary to Government.

No. 125.

(DOCKET No. 1,047, dated 4th April 1873)

COPY of the above forwarded to the Government of India
