DEPARTMENT

G.O. No.	1051-52	Press
B.P. No.		Mis.
131-132		
Dated	5. 4.	1873.

Not to be folded or roughly handled

*Proceedings of the Madras Government, Public Works Department,
5th April 1873.*

No. 131.

Under date the 5th April 1873, No. 1,051.

ACCOUNT, No. 8.

THE Government observe that the instructions of the Government of India, contained in the letter on which G. O. No. 432 of the 8th February 1873, was passed, do not appear to agree with those conveyed in the letter of the 2nd December 1872, No. 359-A. I., wherein

it was ruled that certain floating plant required for the Godavery Delta works should be charged to the Extraordinary grant. In G. O. of the 10th December 1872, No. 2,923, the provision of two lakhs in the delta completion estimates was ordered to be made; and, as it seems to be advisable that all the floating plant to be used on these works should be charged to the same funds, the Government of India will be again addressed on the subject.

2. As, under paragraph 3 of the letter No. 41-A. G., dated 21st January 1873, from the Government of India, the cost of renewing the floating stock heretofore

belonging to the Upper Godavery works is to be added to its present value and to be debited to the Capital Account, the charge for renewal cannot conveniently be met from Repair funds, and further instructions will be communicated to the District Engineer as soon as a reply is received from the Government of India.

3. It may further be noticed that some of the plant received from the Upper Godavery will be transferred to the Godavery Delta works, other to the Kistna works, while some will probably be unsuitable to either, and will therefore still belong to the Upper Godavery Navigation. The District Engineer should, therefore, report at an early date what distribution will be made, in order that the several accounts may be correctly debited with their shares of the value of this plant and of the cost of its renewal.

PUBLIC WORKS DEPARTMENT,
FORT ST. GEORGE, 5th April 1873.

No. 132.

No. 1,052.

To

THE SECRETARY TO THE GOVERNMENT OF INDIA,

PUBLIC WORKS DEPARTMENT.

ACCOUNT, No. 9.

SIR,—With reference to your letter No. 41-A. G. of the 21st January 1873, I am directed to point out that, in your letter No. 359-A. I. of the 2nd December 1872, the debit of certain floating plant to Extraordinary funds was sanctioned, and as such portion of the plant received from the Upper Godavery as may be transferred to Irrigation Works under construction from Loan funds will form a Capital charge against those works, and as the cost of renewing this plant is to be similarly treated as a Capital charge, I am to request a re-consideration of the instructions contained in the letter of the 21st January last, it appearing to this Government that Loan funds should equally in the two cases be debited with the cost of the plant.

No. 1,051, dated 5th April 1873.

2. I am instructed to enclose a copy of the Proceedings as per margin on this subject.

I have the honour to be,

Sir,

Your most obedient servant,

(Signed) J. MULLINS, Lieut.-Colonel, R.E.,

Joint Secretary to Government.

Exd. E. C. Shunker.
