*Proceedings of the Madras Government, Public Works Department,
5th April 1873.*

No. 140. Read the following Endorsement of the Chief Secretary to Government, dated Fort St. George, 18th March 1873 :—

From the President of the Local Fund Board, Trichinopoly, to the Chief Secretary to Government, Fort St. George, dated Trichinopoly, 11th March 1873, No. 16.

ADVERTING to Government Order No. 202, dated 21st February 1873, I have the honour to inform you that the Proceedings of the Local Fund Board submitted with my letter No. 3, dated 11th January 1873, was not intended to dispose of the question, and you will perceive from the accompanying extract from the Proceedings of the Local Fund Board, at a meeting held on the 19th February 1873, that the necessary estimates for the construction of Railway feeders have been called for from the District Engineer.

2. I will submit a full report on the subject as soon as the information is received from the above officer.

Extract from the Proceedings of the Local Fund Board at a Meeting held on the 19th February 1873.

14. Read Government Order No. 76, dated 16th January 1873, communicating letter from the President, Local Fund Board, Trichinopoly, forwarding a sketch showing the proposed stations on the Railway now under construction in that district and the roads (made or proposed) to act as feeders, and President's memorandum proposing that Railway feeders be constructed at once from each station.

Resolved accordingly that estimates be called for for roads to each station (except Elamanore) to join the road on the north side of the Cauvery, and that each road be entered in the repair list in future. Resolved also that the District Engineer be requested to have a survey made of the lines proposed in paragraph 4 of the President's letter embodied in the G. O. quoted, and also for a village road from Viralimalei to Samudram, following the old lines in each case as far as possible, and to favour the Board with his opinion as to their practicability and usefulness.
