*Proceedings of the Madras Government, Public Works Department,
8th April 1873.*

No. 167. Read the following letter from the District Engineer, Kistna District, to the Secretary to Government, Public Works Department, dated Camp at Masulipatam, 15th March 1873, No. 48:—

THE late Officiating Superintending Engineer before leaving the district appointed one M. Sheik Hoossain, a writer in the Superintending Engineer's Office, Delta Superintendent on a salary of Rupees 30 per mensem. Sheik Hoossain has not passed the Uncovenanted Service Examination, and therefore is unable to draw more than Rupees 19-8-0; but Mr. Smith informed me that he proposed to recommend that he should be exempted from passing the examination, as he had a high opinion of him. The man bears a good character, and was first employed in the department in October 1859. He served under me for some time, and from what I know of him I think he is well fitted for the post, and therefore recommend that he may be permitted to draw the full salary.

No. 168.

ORDER THEREON, 8th April 1873, No. 1,072.

ESTABLISHMENT, No. 13.

THE Government do not see anything special in the case of Sheik Hoossain to warrant his exemption from the prescribed examination.
