*Proceedings of the Madras Government, Public Works Department,
9th April 1873.*

No. 207. Read the following endorsement of the Marine Department, dated 20th March 1873:—

From the Master Attendant, Administrative Department, to the Chief Secretary to Government, Marine Department, dated Madras, 20th March 1873, No. 1,718.

I HAVE the honour to report my return to Madras on the 18th instant after an absence of 21 days, having, during that period, visited the Ports and Headlands as specified in the margin.

Calicut.	Cape Comorin.
Beyypore.	Hare Island.
Cochin.	Tuticorin.
Alippee.	Keelacarry.
Anjengo.	Point Calimere.
Colachul Toray.	Negapatam.
Point Cadiapatam.	

2. Before sending in detailed reports on the different places I have visited, I write respectfully to request Order of Government, Marine Department, dated 23rd January 1873,* be immediately placed to the credit of the

that the sum of Rupees 3,000 granted in Master Attendant, Tuticorin, to enable him at once to procure the materials for the repairs of the Pier, which are urgently required.

* No. 29.

3. The Collector of the district, who met me at Tuticorin to confer on the subject, is anxious to commence the work immediately, and, as the Superintending Engineer is absent on duty elsewhere, much time will be lost, and if this sum is not made over before the close of this month, the grant will lapse, and the money may not be available when required.

4. When the Superintending Engineer returns to Tuticorin, he can, if necessary, assume charge and superintend the works.

5. The money can be at once lodged in the Tuticorin Bank to the credit either of the Collector of the District or the Master Attendant.

TRANSFERRED to the Department Public Works in order to the funds in question being placed at the disposal of the Collector for the immediate commencement of the work.

(Signed) W. HUDLESTON,
Chief Secretary.

No. 208. ORDER THEREON, 9th April 1873, No. 1,092.

CIVIL WORKS, No. 13.

THE District Engineer having meanwhile applied for the sanctioned plan and estimate of this work, which have been supplied him, is understood to have already taken steps for carrying it out. He will of course be at liberty to hand it over for execution by any Civil Officers to whom it may be agreed to entrust it.

2. The Master Attendant is under a misconception as to the grant being lost to the work if not availed of in the current year. It does lapse, but will be
