*Proceedings of the Madras Government, Public Works Department,
16th April 1873.*

No. 212. Read the following letter from the District Engineer, Salem, to the Chief Engineer, Public Works Department, dated Salem, 20th March 1873, No. 41:—

IN answer to your Memorandum No. 27 of 18th instant, I have the honour to refer you to my letter No. 15 of 16th January 1873.

2. What I imagine you require is rates obtained from departmental work carefully supervised.

3. I can only say that none such are available, and that all I can furnish is the rates set down in that most useless document, the half yearly return of rates and prices; this is not I presume at all what you want.

4. As before mentioned, I have given such instructions as will enable a schedule of some value to be supplied next year.

No. 213. ORDER THEREON, 16th April 1873, No. 1,094.

ACCOUNT, No. 17.

As a general schedule of rates will have to be furnished to the Government of India this year for the half year ending 30th September 1872, the District Engineer will submit at once as reliable a statement as can be prepared for that period.
