*Proceedings of the Madras Government, Public Works Department,
17th April 1873.*

No. 249. Read the following letter from the District Engineer, Tinnevely, to the Secretary to Government, Public Works Department, dated Camp at Alaghiapandiapuram, 18th March 1873, No. 54:—

WITH reference to G. O. No. 537 of the 18th February, regarding Overseer Gopal Pillay, I have the honour to report that I have recently had an opportunity of seeing the Overseer and his work and am able personally to testify to his unfitness for the post he holds. His incapacity not having been previously reported, is, I consider, due only to the fact that he was serving (in rather an out-of-the-way taluq) under a Native Range Officer, namely, Supervisor Vyapury Pillay. As authorized by Government I propose to remove him and relieve him of his charge as early as possible.

2. As Government have in G. O. No. 513, dated 17th February 1873, sanctioned the transfer to the Imperial List, in the 3rd grade, of Local Fund Overseer T. Subramania Pillay, I will fill up the vacancy caused by Gopal Pillay's removal by appointing Subramania Pillay, and will arrange with the President Local Fund Board for the appointment of a competent Local Fund Overseer in room of the last named.

No. 250. ORDER THEREON, 17th April 1873, No. 1,113.

ESTABLISHMENT, No. 22.

APPROVED; but his claims to pension or gratuity should be considered and the necessary papers submitted in due course.
