ORDER THEREON, 19th April 1873, No. 1,137.

CIVIL WORKS, No. 26.

FROM the Range Officer's certificate it would appear that the sum of Rupees 448-12-0, of which Rupees 378-12-0 were contributed by the inhabitants of Numbyur, had been expended before its date, the 21st August 1871, and was insufficient to raise the walls of the Police station to the full height intended; which circumstances, and the fact of the completion of the work, should have been mentioned by the Superintending Engineer when applying for the Government contribution of Rupees 70, sanctioned in G. O., No. 472 of 6th April 1872.

2. The Inspector General of Police will report when the Government contribution was actually paid in discharge of the debt long previously contracted; and whether the certificate of the Superintendent of Police implies that the verandah bressummers had been replaced so that they no longer sagged and endangered the stability of the roof at the date when it was given, the 22nd January 1873.
