*Proceedings of the Madras Government, Public Works Department,
13th January 1873.*

No. 222. Read the following letter from the Officiating District Engineer, Tanjore, to the Secretary to Government, Public Works Department, dated Tanjore, 12th December 1872, No. 730 :—

I HAVE the honour to bring to your notice that owing to the removal of Lieutenant Greenaway to the charge of No. 1 Range Office, Tanjore, as directed in your demi-official of the 23rd ultimo, the Coleroon Survey on which he was engaged will be much delayed.

2. Even had Lieutenant Greenaway remained with the Survey party during the whole of the working season, I do not think the work could have been more than half completed this year.

3. I have therefore to request that sanction may be granted for the entertainment of two or three extra Surveyors who might be paid out of the Rupees 450 per mensem allowed for an Assistant Engineer in G. O., No. 1,631, dated 4th July 1872.

No. 223. ORDER THEREON, 13th January 1873, No. 113.

ESTABLISHMENT, No. 17.

THE arrangement proposed in the last paragraph of Captain Montgomerie's letter is approved. The Government understand that an Assistant Engineer being no longer available for prosecuting the Coleroon Surveys, these will be carried on by Surveyors working under the immediate orders of the District Engineer.
