*Proceedings of the Madras Government, Public Works Department,
21st April 1873.*

No. 333. Read the following letter from Captain P. MONTGOMERIE, R.E.,
Officiating District Engineer, Tanjore, to Colonel G. W. WALKER, R.E.,
Secretary to Government, Public Works Department, dated Tanjore,
28th February 1873, No. 875:—

IN submitting fresh statements of surrenders, I have the honour to inform you
that, owing to unexpected and unprecedentedly heavy rains and floods which have
prevailed throughout this district during the month of February, it has been found
impossible to carry out the full allotment for Agricultural Repairs before the end
of the official year. I am, therefore, obliged to surrender a sum of Rupees 5,000
under that head.

2. A further sum of Rupees 1,005 under the head of Minor New Works
Agricultural is also surrendered for reasons stated above.

3. Under the head of "Provincial" it has also been found necessary to sur-
render a sum of Rupees 5,000 from the grant allowed for protecting the King's
Bastion at Tranquebar, the Range Officer having discovered "that he is unable to
procure bandies for the carriage of the stones from Nagapatam, and that rafts
cannot be made use of now owing to the northerly winds."

No. 334. ORDER THEREON, 21st April 1873, No. 1,144.

ACCOUNT, No. 25.

THE grant of Rupees 15,000 made
in March 1872 for work stated to be
absolutely necessary for the protection
of the fort of Tranquebar, and the execution of which was considered absolutely
essential previous to the monsoon of 1872, not having been fully availed of, the
balance of Rupees 5,000 must be considered to have lapsed; and a report is called
for of the measures actually taken for accomplishing the object in view in con-
formity with the estimate, and of their effect, whether satisfactory or otherwise.
