*Proceedings of the Madras Government, Public Works Department,
21st April 1873.*

No. 341. Read the following letter from Colonel F. J. MOBERLY, R.E., District Engineer, Chingleput, to Colonel G. W. WALKER, R.E., Secretary to Government, Public Works Department, dated Guindy, 4th April 1873, No. 29:—

REFERRING to G. O., No. 662, of 1st March 1873, I have the honour to observe that the southern portion of the East Coast Canal is quite out of Mr. Goodchap's Range, whereas Mr. Lowry has other work in the neighbourhood of it. I beg to be informed whether the Government intend that Mr. Goodchap shall have the charge as of one work, or that it shall be divided into the ranges through which it passes, not regarding the few miles near the Adyar which pass through the Mount Range.

2. I would suggest that a Maistry on 40 Rupees a month, with Rupees 15 as travelling allowance or boat hire, be entertained for each branch of the canal.

No. 342. ORDER THEREON, 21st April 1873, No. 1,147.

CIVIL WORKS, No. 27.

THE division of the work of the East Coast Canal in the Chingleput District between the Serulur and Chingleput Range Officers, proposed by the District Engineer, is approved.

2. No special reasons have however been shown for the increase of the permanent petty establishment proposed.
