*Proceedings of the Madras Government, Public Works Department,
22nd April 1873.*

No. 355. Read the following docket of the Government of India, dated 28th March 1873, No. 83 A. I. :—

GROUNDS OF PROPOSITION.

THE transfer appearing as Item 1 has been made with the view of utilizing to the fullest extent the grants for the extension of irrigation in the Godavery District.

Item 2 is for compensation for land taken up in connection with the Vulloor Anicut in the Chingleput District. The charge not having been anticipated was omitted from the estimate for the work, and has now been provided from the grant for the Budam project, a large portion of which has been surrendered by the District Engineer.

Item 3, completion of the Vyloor tank in the South Arcot District, has been provided for from the same source.

Item 4.—The District Engineer having represented his inability to expend more than Rupees 3,000 out of the sum of Rupees 16,835, the transfer of which from "Agricultural" was sanctioned by the Government of India in their letter No. 371 A. B., dated 14th September 1872, as a grant-in-aid for the construction of the road from Rajahmundry to Rahitapuram, authority was granted for the re-transfer of the balance.

The transfers appearing as items 5 to 8 are for placing the dredges in the Kistna District and the Bezoara Workshop machinery in an efficient condition; and as there were no funds available under "Tools and Plant, Ordinary," the requisite amount was granted from the sum surrendered from the Budam project.

Item 9 is for the repair of the floating stock transferred with the Upper Godavery works, and has been provided in accordance with the instructions communicated in the letter from the Government of India, No. 41 A. G., dated 21st January 1873.
