Note.—The Velpur is now a branch of the *Blaypath* which is from *Narsapur* Canal, but under new arrangements the Velpur becomes a branch of Gostinaddi.

Mid and low level channels which are merely irrigation branches of Ellore Canal included and treated as "Rajubhas."

* Expenditure in years 1867-68, 1868-69, and 1869-70 obtained from No. 4 Range.

Note.—In this are included "Chinnakavurum channel and "Kudrykkodu," which appear in statement embodied in G. O. No. 93 of 13th January 1869 as separate Main Canal, but are (1) the former an irrigation branch (Rajubhas) of Venkiah and (2) the latter now the "Akeed Canal."

But every thing is still so incomplete that this cannot be considered final.

It is impossible to find out the amounts of estimates for works finished many years ago.

Not known.

Cannot be ascertained.
