*Proceedings of the Madras Government, Public Works Department,
23rd April 1873.*

No. 385. Read the following letter from G. S. SAGE, Esq., District Engineer, Cuddapah, to Colonel G. W. WALKER, R. E., Secretary to Government, Public Works Department, dated Camp at Kadiri, 17th March 1873, No. 599:—

I HAVE the honour to bring to your notice that an Imperial Fund Overseer being wanted in this district, vice Mr. Walton to be pensioned, I advertised in *Fort St. George Gazette*, and received several applications; but from the several

applicants I selected* Mr. Maddox, who, judging by copies of testimonials sent, appeared to be a first rate man, and

* *Vide* my letter No. 438, dated 24th February 1873. directed him to join, which he did on the 21st February 1873; on arrival he applied for an advance to get himself kit, and I authorized an advance to him of one month's salary.

2. On 9th instant I received a letter from him, dated 5th, Madras, stating that having heard of the sudden and severe illness of his wife and daughter he had left his taluq and omitted to ask for leave, and requesting to overlook the matter.

3. I have since heard that the man went by rail to Moodanoor to join his taluq, but returned by the next train to Madras, since when I have heard nothing of him except that when at the Moodanoor station he was in a state of intoxication; I believe he is now in Madras. I am not sure I know his address; being on circuit, I have told my Head Clerk to put it at foot of this letter if it is on record in the office.

4. I have the honour to request steps may be taken for getting hold of the man in Madras if possible. Lieutenant-Colonel Mullins knows the man, and I believe thinks him to be a good man.

My dear Walker

As I am leaving Madras in the morning and shall not be back for a week, I under the best plan will be to let you know what little has come to my notice about her madness. Some time ago he came to me for assistance & as some years back he had been in my old District, Bellary, I gave him a few rupees. When I was in Bangalore Sage told me of his having been appointed to Bangalore as a Taluk Officer and of his having quitted the District without leave - A few days after my return to Madras I got a letter from her husband asking me to help him to take up an appointment which he had at last. I was slow in getting, but as he omitted all

 was then sent the District only, and then
 leaving left it I declined to assist him further.
 Until now I did not know that he had obtained
 an advance from the District Engineer. I am
 afraid now there is not much chance of receiving
 the advance as after the way in which he
 has behaved he could not be considered
 trustworthy and allowed to take up the affairs
 & probably finish about the money. If thought
 advisable will send for his money directly.

Perhaps Mr Mullins
 would be so good in
 the first instance to send
 for the man Maddon.
 & find out what he
 is at & whether he is
 prepared to refund the
 advance made to him.
 or explain his conduct
 & return to duty if Mr
 Mullins thinks the
 man worth keeping.

After Mr Mullins note I will
 not trouble him to send for the
 man who is evidently good
 for nothing.
 Perhaps the simplest plan
 will be to dismiss him & forbid
 his reemployment. If he persists
 him criminally - it will cost more
 money - & disturb public affairs
 as well as the P.W.D.
