*Proceedings of the Madras Government, Public Works Department,
24th April 1873.*

No. 414. Read the following letter from Lieutenant-Colonel J. GODDARD, R. E., District Engineer, Presidency, to Colonel G. W. WALKER, R. E., Chief Engineer and Secretary to Government, Public Works Department, dated Fort St. George, 3rd April 1873, No. 46:—

THE Clothing Store godown near St. George's gate, lately vacated by the Stationery Department, was placed at the disposal of the Commissary of Ordnance for storage of rifled projectiles, and of the Lithographic Department of

- 1 Abstract Estimate.
- 1 Specification Report.

the Government office for keeping lithographic stores.

2. The Commissary of Ordnance required a portion of the godown for keeping rifled projectiles hitherto not kept under cover, and Major Oakes applied to me demi-officially for the other portion of the godown for the use of the lithographic stores.

3. As the godown in question cannot be used in common by two departments, the accompanying plan and estimate, amounting to Rupees 290, for erecting a partition wall have been prepared at the request of the Commissary of Ordnance in charge, and approved of both by the Inspector General of Ordnance and Magazines and by His Excellency the Commander-in-Chief.

4. I beg that the estimate may be sanctioned and funds granted from the Reserve of 1873-74, at the disposal of Government, to enable me to carry out the work.
