*Proceedings of the Madras Government, Public Works Department,
25th April 1873.*

No. 420. Read the following letter from Lieutenant-Colonel J. F. FISHER, R. E., District Engineer, Godavery, to Colonel G. W. WALKER, R. E., Secretary to Government, Public Works Department, dated Dowlaish-
weram, 1st April 1873, No. 17 :—

ADVERTING to paragraph 3 of G. O. of the 11th March 1873, No. 774, I have
1 Copy of List. the honour to report, for the information
of Government, that, as therein directed,

I communicated with Mr. Vanstavern on the subject of employing such of the
members of the executive and office establishment, whose services he proposes
dispensing with.

2. I enclose copy of a list of the upper subordinate and store, etc., establish-
ment received from Mr. Vanstavern which he considers would be sufficient to retain,
and I have to request orders as to how those appertaining to these establishment
he has marked "to be transferred" are to be disposed of.

3. With regard to the interchange of credits, I beg to state that Mr.
Vanstavern informs me that there is no treasury nearer to Damagudem than
Scroncha, and it would be very troublesome and expensive to get money from
there, as a guard has to be kept to bring it down.

4. Hitherto, the requisite funds for carrying on works in the Upper Godavery
were obtained from the Huzzoor Treasury at Cocanada. This course will now be
pursued, to save expense and trouble, if approved of by Government, and Mr.
Vanstavern placed in executive charge of the 1st Barrier Range.

No. 421. ORDER THEREON, 25th April 1873, No. 1,188.

ESTABLISHMENT, No. 35.

RECORDED, with reference to G. O.
