*Proceedings of the Madras Government, Public Works Department,
25th April 1873.*

No. 424. Read the following endorsement of the Chief Engineer for Irrigation, dated Fort St. George, 11th March 1873, No. 157 :—
From Captain P. MONTGOMERIE, R. E., Officiating District Engineer, Tanjore, to Lieutenant-Colonel J. MULLINS, R. E., Chief Engineer for Irrigation, dated Tanjore, 4th March 1873, No. 892.

I HAVE the honour to bring to your notice that by G. O., No. 467, dated the 13th ultimo, I have been directed to transfer two Overseers to the Trichinopoly District.

2. Before, however, complying with the above order, I beg to draw your particular attention to the statement marginally noted, and which was forwarded to you on the 4th February 1873.

Statement forwarded with reference to Chief Engineer's letter, No. 332, dated 20th December 1872.

3. From this statement will be seen the deplorably underhanded condition of the Engineering establishment attached to this district, where an expenditure of upwards of five lakhs of rupees has to be supervised.

4. The Vennaur Regulators are now in rapid progress at three different parts of the district, and the constant presence of a special subordinate is absolutely necessary at such of the works.

5. I have, therefore, the honour to request you will be so good as to obtain the sanction of Government that the two Overseers referred to may remain in the district until the completion of all the special works, or inform me at what places work is to be stopped to enable me to comply with the requisition of Government.

SUBMITTED for the consideration of Government in continuation of this office letter No. 63, dated 6th February 1873.

(Signed) JOHN MULLINS, Lieut.-Colonel, R.E.,
Chief Engineer for Irrigation.

No. 425. ORDER THEREON, 25th April 1873, No. 1,190.

ESTABLISHMENT, No. 37.

ORDERED to be recorded with reference to paragraph 4 of G. O., No. 1,011, of the 2nd instant.

2. The District Engineer will exercise his discretion with regard to the stoppage of works for the effective supervision of which he may be unable to provide.

The Government
regret that they are un-
able to authorize the reten-
tion in Tanjore, of the
2 Overseers belonging to
Trichinopoly, longer than
to the end of the current
Official year.

2 The need of

District has been brought
to the notice of Govern-
ment by the Chief
Engineer for Irrigation,
and it will be considered
at an early date how
far this necessity can be
met. In the meantime
the District Engineer
should provide for the
daily supervision of the
larger works in progress
by means of mechanics
and petty establishment
chargeable to the estimate.
