No. 461. Read the following letter from Lieutenant-Colonel R. A. ROBERTS, R. E., District Engineer, Madura, to Colonel G. W. WALKER, R. E., Secretary to Government, Public Works Department, dated Madura, 9th April 1873, No. 158:—

In reference to G. O., No. 467, dated 13th February 1873, I have the honour to report that as there is in this district a vacancy in the grade of Taluq Overseer in consequence of the District Engineer of Tinnevely having asked me to appoint a new Overseer in lieu of the one to be transferred from the Tinnevely to the Madura District, I have appointed G. M. Soobroyaloo Naidoo, temporary Overseer employed on the Tirumala Naick's Palace, to be Taluq Overseer of the 3rd grade from the 1st instant, inasmuch as his appointment to the grade of Overseer has been sanctioned in G. O., No. 1,701, dated 26th June 1871.

2. I may mention that the Naidoo now receives a monthly salary of Rupees 100, with 15 Rupees horse allowance, which hitherto were charged to the annual allotment of Rupees 10,000, sanctioned for the restoration of the palace. As however by the arrangement now made the Overseer would be a loser of Rupees 40 per mensem in his pay, I have the honour to request, in order to enable him to cover this loss as much as possible, that the Government will be pleased to sanction double horse allowance being passed to him, as a special case, until he is promoted to the 1st grade Overseer.

3. I would also respectfully urge that his past services while engaged on the Palace works should be reckoned for pension, and that he should be considered to have entered the Government service on the 13th August 1870, the date of his nomination by the Government Architect to the charge of the Palace works.

4. I would also recommend, taking into consideration his professional abilities, the superior work he has executed for Government during the past two and a half years and the pecuniary loss that he is now incurring, that he be promoted to the grade of 2nd class Overseer on the occasion of the first vacancy occurring in that grade.

No. 462 ORDER THEREON, 28th April 1873, No. 1,206.

ESTABLISHMENT, No. 42.

SOOBROYALOO Naidoo's entertainment as Taluq Overseer and the commencement of his service for pension

cannot be antedated. He must join the department in the usual manner, and be subject to the same rules regarding promotion and horse allowance as other Overseers.

2. Opportunities for bringing him on the list were afforded to the District Engineer in June 1871 and again in April 1872 and disregarded by him. Lieutenant-Colonel Roberts therefore is himself accountable for the delay and loss of departmental rank that have ensued.
