*Proceedings of the Madras Government, Public Works Department,
30th April 1873.*

No. 501. Read the following letter from Major J. BEATTY, R. E., District Engineer, Vizagapatam, to Colonel G. W. WALKER, R. E., Secretary to Government, Public Works Department, dated Waltair, 15th April 1873, No. 109:—

I HAVE the honour to report that Rupees 79 were expended in conveying the district records, furniture, etc., etc., from Dowlaishweram to Waltair on the occasion of the recent re-organization of the department in December last, and that the amount was included in the contingent bill for December 1872.

2. The Controller of Public Works Accounts having objected to pass the amount in question, as it was in excess of the monthly sum allowed by Government to cover contingent charges of this office, I explained the circumstances under which the large outlay objected to had been incurred, and suggested that it should be treated as a special charge. He is however still of opinion that a special sanction of Government is necessary.

3. I have therefore to request you will be so good as to move Government to sanction the expenditure under reference.

No. 502. ORDER THEREON, 30th April 1873, No. 1,227.

ESTABLISHMENT, No. 46.

THE Controller of Public Works Accounts is authorized to pass the charge.
