No. 44. ORDER THEREON, 2nd May 1873, No. 1,261.

ESTABLISHMENT, No. 8.

IN the orders above quoted, His Excellency the Governor in Council felt it necessary to support the authority of the District Engineer in connection with the appointments made by him in the Virdachellum Range of the South Arcot District; but he is constrained to disapprove of Mr. Norfor's action with reference to the Range Accountant, as shown in paragraphs 4 to 7 of his letter. The circumstances therein detailed fully warrant the suspension of Ponarungum, and the District Engineer will adopt that course without further delay.
