*Proceedings of the Madras Government, Public Works Department,
13th May 1873.*

No. 169. Read the following letter from Major J. BEATTY, R. E., District Engineer, Vizagapatam, to Colonel G. W. WALKER, R. E., Secretary to Government, Public Works Department, dated Waltair, 3rd April 1873, No. 2:—

I HAVE the honour to submit, herewith, a bill of certain travelling expenses incurred by Captain Hindle in joining this district in October last, and objected to by the Controller.

2. Captain Hindle ascertained before leaving Madras that no horses or ponies were procurable here, and that it was necessary for him to bring one with him to enable him to enter on his duties on his arrival. He therefore purchased a horse at Madras, and brought it up with him.

3. The principal item of the bill is for the passage of this horse by steamer from Madras to Vizagapatam, and the Controller states that the sanction of Government is required to enable him to admit this charge, and refers me to G. O. No. 663 of 11th March 1872.

4. The Controller also declines to pass the charge for a carriage to the beach at Madras, and the cost of shipping and landing the horse, on the ground that the Travelling Allowance Rules do not provide for the admission of such charges. These, however, were actual expenses incurred on Captain Hindle's journey to join his new appointment, and I presume that they too only require special sanction.

5. In submitting the bill a second time to the Controller, I referred him to G. Os. Nos. 2,681 and 2,859 of 24th August 1866 and 7th September 1866, respectively, but these he does not consider applicable.

No. 170.

ORDER THEREON, 13th May 1873, No. 1,326.

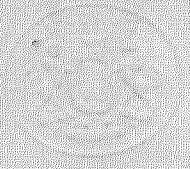

ESTABLISHMENT, No. 26.

UNDER the circumstances reported by the District Engineer, His Excellency the Governor in Council is pleased to sanction the cost of the passage by steamer of Captain Hindle's horse from Madras to Vizagapatam, and cost of shipping and landing. The charge for carriage hire is hardly admissible.
