*Proceedings of the Madras Government, Public Works Department,
13th May 1873.*

No. 179. Read the following letter from Major R. F. OAKES, R. E., District Engineer, Tanjore, to Colonel G. W. WALKER, R. E., Secretary to Government, Public Works Department, dated Camp at Velangudi, 29th April 1873, No. 93 :—

I HAVE the honour to inform you that in October last the Officer in charge of the Combaconum Range incurred a charge of Rupees 11-15-0 under office contingencies on account of memorandum books purchased for his use. The charge has not been passed by the Controller, as a special sanction is required.

As it is important that the members of the department should keep note books, and as there were no books available for issue in the division stores to meet the Range Officer's requisition, the purchase of the books in question was unavoidable, and I request that the necessary sanction may be granted to enable the Controller to pass the charge incurred on account of the same.
