*Proceedings of the Madras Government, Public Works Department,
14th May 1873.*

No. 197. Read the following letter from Major J. O. HASTED, R. E., District Engineer, Kistna, to Colonel G. W. WALKER, R. E., Secretary to Government, Public Works Department, dated Camp at Masulipatam, 16th April 1873, No. 8:—

I HAVE the honour to request that, under the circumstances mentioned below, you will authorize the Draughtsman of the Palnad Range, Mr. Thomas Francis, a passed third-class Draughtsman, drawing the full salary of the post he holds, Rupees 40, on condition of his obtaining a second-class certificate within one year.

2. Mr. Francis has requested me either to transfer him to another range, or to permit him to draw the full pay of the appointment he holds, on the ground that the pay he receives now, Rupees 30, though the same as he drew when Assistant Draughtsman in the Western Delta Range, is worth to him only two-thirds of what it was in the delta, owing to the difficulty of procuring the necessaries of life in such an out-of-the-way place. Looking to the difficulty experienced in getting any one to take up an appointment in the Palnad, a part of the district considered very unhealthy and universally disliked by natives, I would recommend that he may be allowed to draw full pay on condition of his obtaining a second-class certificate within a reasonable time.

No. 198. ORDER THEREON, 14th May 1873, No. 1,340.

ESTABLISHMENT, No. 32.

SANCTIONED on the understanding that Mr. Francis passes the prescribed examination within twelve months.
