*Proceedings of the Madras Government, Public Works Department,
14th May 1873.*

No. 205. Read the following letter from G. S. SAGE, Esq., District Engineer, Cuddapah, to Colonel G. W. WALKER, R. E., Secretary to Government, Public Works Department, dated Camp at Madanapally, 1st April 1873, No. 7 :—

With reference to paragraph 2 of G. O.* No. 528 of 17th ultimo, the amount of the fourth document is, as stated by you in 1st paragraph, Rs. 1,928; of this you direct Rupees 520 to be excluded, which leaves a balance of Rupees 1,408 payable to Contractor, not 408 as mentioned in G. O.

2. I have now the honour to report that the above sum of Rupees 1,408 has been paid, and a receipt in full of all demands taken from the Contractor.

3. Government directed the limestone to be measured up and paid for wherever it might be collected. As the Range Officer was on leave, I went with the Sub-division Officer in charge of the Range and found only 664 paras, or 33½ puttees, instead of 80 shown in bill; his claim values it at 6½ Rupees per puttee, or 5½ Annas per para carted a maximum distance of two miles, which is outrageous. I therefore tendered him 1 Anna 4 Pies per para, or Rupees 1-10-8 per puttee, which I consider ample, a putty being only 1½ cubic yards; it is at the rate of 1 Rupee per cubic yard, and at which rate we can be supplied. The man declines to accept the amount, Rupees 55-5-4, and has gone away.

4. I may mention that the bricks paid for are perfectly useless.

No. 206.

ORDER THEREON, 14th May 1873, No. 1,344.

CIVIL WORKS, No. 10.

As the Government ordered the limestone to be paid for solely on consideration of the great delay that had occurred in adjusting the Contractor's claim, not at all as admitting its justice, and the Contractor has not availed himself of the offer of its value, he will be referred to the Law Courts for any further satisfaction he may desire.

(True Extract.)

Colonel, R.E.,
Secretary to Government.

To the District Engineer, Cuddapah.
„ Controller of Public Works Accounts.
