No. 217. Read the following letter from R. K. WILLIAMS, Esq., Officiating Examiner of Railway Accounts, Madras, to Colonel G. W. WALKER, R. E., Secretary to Government, Public Works Department, dated Madras, 2nd May 1873, No. 331:—

The office work devolving upon this Establishment under its re-organization in accordance with Government Resolution No. 836 of the 25th March 1872, has gradually increased, and it is now found that the staff proposed in the papers published with Government Order No. 1,305 of the 14th May 1872, and sanctioned under Government Order No. 1,627 of the 5th July last, is inadequate for its efficient performance.

2. Of the existing staff only two, an Accountant on Rupees 100 and another on Rupees 50, are available for work in the office, the others being wholly occupied at the offices of the different Companies. There are a set of books for each Railway to be written up, and numerous returns, statements, etc., to be furnished to the Accountant General, Public Works Department, besides the work in connection with the correspondence which has now become considerable, the records, Budget registers, etc. To attend to this satisfactorily and prevent its falling into arrear, some additional assistance has become necessary, and I have accordingly the honour to solicit sanction to the appointment of a clerk on a salary of Rupees 35 per month.

3. An application in the prescribed form is submitted herewith.

4. The salary to be given has been stated at Rupees 35 per month, for, though it is proposed to place the clerk more immediately in charge of the records and copying, it is desirable to have a man of a superior class to those usually entrusted with such work, who would also be capable of assisting in the preparation of returns, etc.

5. Captain Moberly, the permanent incumbent of the appointment of Examiner here, with whom I have communicated on the subject, concurs with me in opinion as to the necessity for the clerk now applied for, and informs me that he had himself intended to make an application for one.

6. As the want of assistance in the office is at present much felt, I beg the permission of Government, pending final orders on the matter being passed, to entertain a temporary clerk from the 10th May.
