Read the following letter from A. MACGREGOR, Esq., Collector of Malabar, to J. GROSE, Esq., Secretary to the Board of Revenue, dated Calicut, 26th March 1873, No. 67:—

WITH reference to the Board's official memorandum, dated 4th December 1872, No. 1,554, I have the honour to submit the following report on the progress of works on salt roads of this district for the official year 1871-72.

2. There are three roads of the kind, two in this, and one in the Tellicherry Circle, as shown in the margin.
Shoranore to Patinjarungadi; Ponany to Puttamby; Tellicherry to Kuttuparamba.

3. The expenditure during the year on the first line was Rupees 7,657-2-1, or Rupees 15,998-4-4, including the previous years. If the sum of Rupees 1,320 expended from contributions of the Cochin Circle be added, the total outlay on the line, up to the close of the year under report, is Rupees 17,318-4-4. Fair progress has been made; all the earth-work, bridges, and most of the culverts have been completed.

4. No improvements have been made on the old road from Ponany to Puttamby, but it has been kept in good order for traffic. The expenditure on this line was Rupees 1,976-5-9.

5. The third line was kept in very good order during the past year, at a cost of Rupees 1,980, the maintenance allowance allotted for it. The repair of the Erinjolly bridge situated on this line was completed during the year.

SUBMITTED for the information of Government.

2. Fair progress has been made on the new road from Shoranore to Patinjarungadi, and the other roads are in good order.
