*Proceedings of the Madras Government, Public Works Department,
15th January 1873.*

Read the following letters:—

No. 268. From Colonel F. J. MOBERLY, R.E., in charge of the Office of District Engineer, North Arcot, to the Secretary to Government, Public Works Department, dated Madras, 21st December 1872, No. 154.

I HAVE the honour to inform you that there is a balance of only Rupees 29 left against the grant of Rupees 100 for "Civil Buildings" "Repairs" "Imperial" for North Arcot District. I have got an estimate of Rupees 50 for repairing the Post Office at Ranoogoontah requiring immediate execution, and, as the funds at my disposal will not allow of its sanction, I request that a sum of Rupees 21 may be transferred from "Repairs Military," North Arcot District, or from the head of Telegraph and Post in Chingleput District, see my No. 197 of this date from that office.

No. 269. From the District Engineer of Chingleput, to the Secretary to Government, Public Works Department, dated Chepauk, 21st December 1872, No. 197.

IN reply to your memorandum No. 231, dated 18th instant, I have the honour to report that out of the allotment for Postal and Telegraph buildings for 1871-72, alluded to in paragraph 4 of G. O. No. 2,239, dated 20th September 1872, only Rupees 20 have been utilized, there having been no calls from the Postal or Telegraph Departments.

2. With reference to the allotment for 1872-73, I have to state that, up to date, a sum of Rupees 20 was spent, and the remainder, Rupees 180, is available for transfer elsewhere.

No. 270. ORDER THEREON, 15th January 1873, No. 136.

ACCOUNT, No. 31.

THE sum of Rupees 21 required for the repair of the Ranoogoontah Post Office will be provided by transfer from the sum of Rupees 180 surrendered by the District Engineer, Chingleput, in his letter above recorded.
